

MINUTES  
MANTI CITY PUBLIC HEARING  
RELATIVE TO PROPOSED ANNEXATION  
IN THE NORTH EAST PART OF TOWN  
MARCH 16, 2011

Mayor Natasha R. Madsen in chair and presiding. Roll call showed Councilmembers Galen Christiansen, Vaun Mickelsen, Loren Thompson, Alan Justesen and Korry Soper present. A copy of the roll of those attending the public meeting is attached to and made part of the minutes.

1. Mayor Madsen said the purpose of the hearing was to accept input relative to the proposed annexation of property into Manti City and requested that Public Works Director Dale Nielson review the specifics with the Council.

Dale then provided copies of the annexation map to the Mayor and each Councilmember and reviewed same with them.

Councilmember Christiansen asked that Dale explain why we should have this annexation and development in that area.

Dale then reviewed the desirability of a north south through street which could serve the east side of town as a traffic corridor.

Dale explained that should the Mayor and Council wish to proceed with the annexation they should sign the Mylar copy that has been provided by the surveyor so it can be recorded with Sanpete County.

Mayor Madsen inquired if there were any public comments and as there were none, declared the hearing closed at 7:30 p.m.
